

## Psychology Transition Work June 2024 Miss L Dudley

Please complete the weekly tasks outlined below. For further guidance and information. Please keep all work created in a folder to present to me in the first lesson in September. Ideally a large A4 ring binder folder is what you need.

The specification also needs to be printed off and put at the front of your file (link for this is at the end of this document under general resources).

**The quality of what you are producing here will provide me with evidence of your suitability to the course. It is important that you are aware of this especially as we are not having any GCSE exams to guide us on this this year.**

Psychology A Level		
Weekly Tasks	Topic	Resources and Task
AQA		<p>What is psychology?</p> <p>Please watch clip for a very brief overview.</p> <p><a href="https://www.youtube.com/watch?v=-3iOrvvWiLY">https://www.youtube.com/watch?v=-3iOrvvWiLY</a></p>
W/C 17.6.24	The origins and history of psychology	<p><b>Task</b></p> <p>Can you take the information from the resources given below and try to put what you have read into the diagram of a tree, so for example the roots of psychology come from philosophy and the trunk would feature the psychologist known as Wundt? The rest of the branches would be made up of the different psychologists that have developed over time. You can put these into some form of chronological order. This can be hand drawn and then take a picture of it to send to me or produced on a computer, the choice is yours.</p> <p><b>Task 2</b></p> <p>Make a glossary of all the new words/ terms that you are coming across in your reading. Warning psychology is full of verbose language and specialist terms so you need to keep glossaries on the sections as we study them.</p> <p>Resources to assist you</p> <p><a href="https://www.youtube.com/watch?v=1Os1C000qxY">https://www.youtube.com/watch?v=1Os1C000qxY</a></p>
